## FORSAYTH BY NIGHT Dinner & Tour

Mystery and intrigue are the order of the night in the Forsayth By Night Lantern Tour.

After a 2 course meal at the Goldfields Hotel, the tour provides an overview of the town's history from settlement to present day and you can expect a few surprises along the way. Incorporating storytelling and technology we bring to life the history of how Forsayth was built during the gold rush and how the rail line development impacted on the town. The tour includes a number of historical recounts as well as a local ghost story, which leaves visitors wondering where fiction and fact separate.
